NOX

The image shows two white rectangular panels lying on a light-colored tiled floor. Each panel has a logo on the left side, consisting of a stylized 'V' shape with a red square inside. To the right of the logo, the text 'centrovetrine' is printed in a large, sans-serif font, and 'NOX' is printed below it in a smaller, similar font. Each panel also has a horizontal slot cut into its center and four small circular holes (two near the top and two near the bottom) for mounting or fastening. A metal leg of a chair is visible in the upper left corner, and a portion of another white panel is visible on the right edge.
